01.03.2011

Dear comrades,

**PUBLICATION OF ASSOCIATE**

It is always our sincere efforts to provide means which can enable our members to be more effective and efficient in communication while discharging their responsibilities in the context of today's challenging work environment. In this direction our publication of 'ASSOCIATE' containing phone numbers and blood groups of our members will definitely going to be a powerful tool for sharing the joy. It will also help us to share our agony for its redressal and immediate help. We have rearranged and updated the "Associate" for taking care of the transferees and the new promotees as well as new entrants to the Bank.

We acknowledge and appreciate with thanks the sincere efforts put in by office bearers of all Districts/Regional Committees, Zonal Committees and especially by **Shri R. C. Patra (Babuli)** our Asst. Gen. Secy. in coordinating and translating this **Dream Project 'ASSOCIATE'** into a reality

We take this opportunity also to wish our members and their families a very **happy and prosperous New Year - 2011**. We also request our enlightened members to advise us immediately if any error is there for its rectification.

With comradely greetings.

  
**General Secretary**

  
**President**
